Subject: Notice of File Closure and Release of Reclamation Surety, Colorado Calument Company, Maynard Topaz Mine, S/023/0099, Juab County, Utah

Dear Mr. Lee:

The referenced Notice of Intention to Conduct Mining Operations, located in Juab County, Utah, will now be closed and the file retired. The site was inspected on November 13, 2013, and it was determined that reclamation has been satisfactorily completed.

Please find enclosed with this letter a check in the amount of $4,256.76. This is a refund of the reclamation surety including interest. Also enclosed is your original reclamation contract for your disposal or records.

The Division hereby releases you from further reclamation responsibilities at this site. If you wish to conduct any future mining or exploration related activity in this area, you will need to submit a Notice of Intention and reclamation surety to the Division and gain approval from any other appropriate agencies.

Please contact Wayne Western at 801-538-5263 or me at 801-538-5261 if you have any questions or concerns regarding this action. Thank you for your cooperation.

Sincerely,

Paul B. Baker
Minerals Program Manager
